sapmea scoops the pool at Meetings and Events Australia [MEA] State Awards

The 2009 Meetings and Events Industry Awards for South Australia were held at the Adelaide Convention Centre on Friday evening with **sapmea** taking out four top awards and winning every award it was nominated for!

The MEA Awards recognise excellent business practice in the Meetings & Events Industry. It encourages industry professionals to excel in the achievement of their business and personal goals, and reward those who achieve outstanding results.

sapmea was presented with the following State Awards;

Meetings or Events Management Organisation 8 or more Employees sapmea

Association or Government Meeting of Year

The 56th Cardiac Society of Australia and New Zealand [CSANZ] Annual Scientific Meeting [ASM]

Meetings Manager of the Year

Ms Lesley Woods

Corporate Social Responsibility Award [6-30 Full Time Employees]

sapmea

"It is exciting that from beginnings in post-graduate education over 30 years ago, **sapmea** has converted these skills into a sustainable and successful business model that provides management services for conferences and events of all size, persuasion and location and we are now being consistently recognised for our achievements." Said **sapmea** CEO, Mr Luran Huefner.

sapmea will contest the National Awards against the winners from other states at the MEA National Awards Dinner due to be held in Melbourne on 20th April.
